

# DON'T BELIEVE THE MYTHS SURROUNDING THE FLU SHOT.

**Fact!** You can't get the flu from getting a flu shot.

**Fact!** The 2017-2018 flu vaccine is the best way to protect yourself – and the people around you – from this potentially serious disease.

**Fact!** It takes about two weeks after the shot for the antibodies to develop in the body to protect against the flu virus.

Get the facts at [CDC.gov](http://CDC.gov).

What are you waiting for? Find a flu shot location near you or see your health care provider for a flu shot.

If you think you're at risk for pneumonia, ask your provider about a pneumonia shot.
